Dear Ms. Williams:

As Director of VITEMA and Homeland Security Advisor to the Government and People of the United States Virgin Islands, I would like to express my most sincere appreciation for your indelible and invaluable contribution to the Virgin Islands Territorial Emergency Management Agency (VITEMA) and especially the Emergency Communications Center (ECC). You have proven yourself to be a valued human resource of the institution. You have proven yourself an exemplar of professionalism and productivity, the very cornerstone on which VITEMA is being built.

Let me note that you possess a strong work ethic. You possess the traits and tenants that every employer and manager would desire in a model employee. VITEMA is indeed very fortunate to have you as an employee. You have shown initiative. You are honest. You have proven yourself to be a problem-solver, and team-player. You epitomize dedication, commitment, reliability, fortitude of character, and constancy to task. Most importantly you have embraced the ideals, goals, mission and vision of VITEMA and the ECC.

Without your commitment and hardiness, the 2011-2012 Operational Year would not have been a success. In this regard, it is indeed an honor for me to recognize you for the outstanding contributions that you have made to the organization. It has been a pleasure working with you. Your contributions are greatly appreciated. You are highly esteemed. Tamisha Williams, it is with great pleasure that I recognize you as the VITEMA 2011-2012 Employee of the Year.

Sincerely,

BG Elton Lewis
Director
